Dear Jenny,

Some people are able to successfully negotiate the visa application process themselves. He must complete the DS-160 form at this website <https://ceac.state.gov/CEAC/>

He must then create a profile and schedule an appointment at this website: www.ustraveldocs.com/in

If he wants my help, I typically charge \$350. He can talk to Sunil who can give him input as to whether he thought my support was necessary and helpful.

Regards,

Paul

Dear Paul,

Thank you so much for your update. As I am new to this and want to learn more to be more helpful in the future, could you tell me whether Tarak can schedule his visa appointment at the Consulate or do you need to do it for him?

thank you.
Jenny
