Hi Paul,

Thanks for all of the help and support yesterday, and throughout the entire process. It is really appreciated. Your calming influence really meant a lot to me yesterday, thank you.

Im attaching the N-445 form I received yesterday after the interview as I believe you wanted a copy for your record. My oath ceremony is this Thursday at noon. I plan to fill out the form before going to the ceremony. I plan to answer "No" to the 8 questions and I plan to enter "Boston/Massachusetts" as the "City and State" and enter the "Date" as Thursday's date. I will sign and fill in my Newton address details.

Thank you again for everything,
