Dear Te [REDACTED]

Congratulations, your green card has been approved. As per the attached scan, I queried your Adjustment of Status with Immigration and they have responded that your I-485 application was approved on October 24, 2016 (today). This means that you have now been approved for your green card and they will mail you the green card directly to your address within the next couple of days/weeks. Please look out for this and scan me a copy of the back and the front as soon as you receive it. You will also be eligible to file for your Citizenship/Naturalization 4 years and 9 months from today. I will make a note of this.

Thank you for all your cooperation in this matter.

Regards,

Paul
