I wanna thank you thousands times for believing in our family and to be so nice and focused on helping us align our selfs toward a better future documented in Mass Usa . Even the immigration may know that iam here because people let me to with my soc card for so long and protected by few paragraphs written between 2002/2006 right before i got married. I did stay because my wife now , use to sleep in the living room with kitchen oven on as heater because her former ex husband left her to the bugs with 2 girls . Thank you for helping us . Hope they consider that law paragraphs even thought no one wanna help me when it was written by a great heart mass man .All i wanna is be documented and live a regular human life . Thanks for [REDACTED] green card . And hopefully no need to Waive appl or separation from my family not even for a week. Muitisssimoo Obrigado for helping me and [REDACTED]. Cordially , [REDACTED].
