Hello Mr. Shane.

That is great news! We also have even more wonderful news, we are expecting:) Can't wait to travel to Ukraine and Greece next year so we can present our bundle of joy to our family and loved ones there! Thank you for your help and really for being you! We appreciate you and all you have been doing for us!

Kindly,

Subject: Receipt Notices for the filing of your marriage petition .

Attached are the Receipt Notices for the filing of your Marriage Petition. You will also see that Immigration is able to use Anton's biometrics (fingerprints). The next step will be to wait for an Interview Notice, probably 8 months from now, but he should receive work authorization and travel permission in about 4 months from now.

I will keep you posted.

Stay safe.

Regards,

Paul
