Dear [REDACTED],

Congratulations! [REDACTED]'s green card has been approved, as per the attached scans. The card was mailed to her address at 672 Boylston Street on October 5, 2020. When she receives the card, please scan me a copy of the back and front. She is all set. The only other thing that she is eligible for now is Citizenship. Obviously, her English would need to be better for her to do the Naturalization test.

Let me know if you decide to do this and I will gladly assist.

Hope you are all well and keeping safe.

Regards,

Paul
