Dear Paul,

Sorry that I'm sending this e-mail just now but I had a very busy day today. The interview was successful, they are recommending my application for approval. They said that I should receive the final decision in about two weeks and the Oath Ceremony will be probably just in end of January. The interviewer lady was extremely nice. Everything went just perfect. Thank you very much for all of your help! If you need anything else from me please let me know.

Best Regards,

[REDACTED]
