Hi, Paul

I have received "I-797A, Notice of Action" sent from you. What should I do deal with it? Is it necessary to carry it with me for some reasons?

In addition, I am still waiting for my original I-20 form.

I plan to start new session from December 8th at [REDACTED].

Thanks for your excellent work.

Regards

I suggest you start on December 1, 2014. Wait one month for the I-20 to be returned to you, duly endorsed. If you do not receive it, get the school to issue a new one.

Regards,

Paul
