Hello Paul,

Thank you for all you did for our family! For guiding us though the process and your excellent advice at every turn and every step. We just want to take a sec to recognize and thank you all for your key role in enabling the American Dream for us!

We cannot thank you enough. Truly I mean that and it would not have been possible without your faith and commitment to our family and in me.

All is well with us. I have moved around a little for my career and currently live in the Detroit area working for ~~XXXXXX~~ ~~XXXXXX~~. Big Oil! Non eof it posible without your dedication and thorough support.

Sincerely,

Gavin, ~~Carrie~~, ~~Trystan~~, ~~Kaitlin~~ and ~~Tyler~~
